

TECHNOLOGY COMMITTEE REPORT COVERING JULY – SEPTEMBER 2016

MEMBERS

Links Mashandra Elam, Stephanie McGriff, Lisa Shyne, Alicia Stephens, and R. Kirsten Watts (chair)

WEBSITE REDESIGN

After months of persistent contact from Link Mashandra, and in response to its failure to perform website development per the contract, current web host Homestead recently refunded service fees paid by the chapter. The chapter moved back to Homestead's Gold Plus Package from its Website Full Service Package.

The committee spent a couple of months reviewing information about and proposals from various web design/ website management companies. On August 30, the committee decided to accept the proposal from Crozz Communications that promises to transfer domain from Homestead, provide training, and give the chapter website a fresh look along with improved functionality. The new site should be operational by November 2016. Connecting Link Odis Crosby is the CEO of Crozz Communications.

Each facet chair has been asked to review and update information to be considered for inclusion on the website.

50TH ANNIVERSARY CELEBRATION PLANNING

To date, no assignments have been given to this committee.

SPRING FLING 2017

- This committee most likely will have to complete three PowerPoint presentations—scholarship, annual accomplishments, 50-year anniversary highlights
- Link Lisa volunteered to lead development of scholarship presentation
- Link Alicia volunteered to lead development of annual accomplishments presentation
- More clarification will be gathered from 50th Anniversary celebration planning committee about its presentation needs for April 2017, then a lead will be named

FUTURE MEETINGS

The committee agreed to meet on the first and third Mondays of each month as necessary.

Respectfully Submitted by R. Kirsten Watts on September 19, 2016
