

## Services to Youth Facet

Members Present: Links Melva Copes, Mashandra Elam, Helen Henderson, Chris Turner, Anne Wade, Mary Wilson

Members Absent – Link Alyce McNeil

The Services to Youth Facet met on Thursday, September 8 to discuss our program for 2016 – 2017, with the focus being Mental Health.

Using the Mental Health toolkit, we discussed bullying, school violence (whether they are involved or if they just witness it), also violence through the media and video games.

We did not identify a target group, but discussed the possibility of partnering with the Boys and Girls Club in Tacoma.

Once we meet with our target group, our plan is to ask them their concerns regarding bullying and violence; and if possible, to present solutions. We also discussed meeting with parents and guardians to introduce ourselves and let them know a little about The Links, Incorporated.

And when possible, we would like to join other facets, such as National Trends and Services for joint presentations.
