

TECHNOLOGY COMMITTEE REPORT COVERING APRIL 2017 (AMENDED TO INCLUDE APRIL 19 – 30)

MEMBERS

Links Mashandra Elam, Stephanie McGriff, Lisa Shyne, Alicia Stephens, and R. Kirsten Watts (chair)

WEBSITE REDESIGN

The webmaster, Crozz Communications, is in the process of finalizing updates to the “Members Only” page. Additional pictures were added to the website during April. Links Kirsten Watts and Stephanie McGriff will meet with the webmaster on April 19, 2017 to discuss future maintenance of the website.

The meeting with the webmaster netted clarification on free and fee-based updates/changes to the website. Also discussed were a number of issues tied to the “Members Only” page.

2017 SPRING FLING/50TH ANNIVERSARY CELEBRATION

Links Alicia Stephens and Lisa Shyne are placing their finishing touches on their beautiful accomplishments and scholarship Power Point presentations, respectively. The committee members thoroughly reviewed the draft presentations during the April 17, 2017 committee meeting. The presentations will be finalized by the week of April 23 and debuted at the April 29 celebration.

Links Kirsten Watts will check with the Scholarship committee about the presentation logistics (i.e., who will advance slides, who will provide the music).

Links Kirsten Watts and Alicia Stephens will bring laptops and extension cords.

TECHNICAL SUPPORT PROVIDED TO OTHER FACETS/COMMITTEES

Spring Fling/Fundraising and Scholarship Committees:

- Hats off to Links Alicia and Lisa for their timely completions of their elaborate and beautiful chapter accomplishments and scholarship Power Point presentations, respectively! They were showcased at the April 29 celebration.
- Links Kirsten and Alicia worked closely with Hardcastle, the audio/video vendor, on presentation order, projection, and sound during the celebration. They found the Hardcastle technician cordial, easy to work, and highly skilled. They would recommend Hardcastle to support future events requiring audio/video support.

- Link Kirsten worked efficiently with the Scholarship Committee on the technical requirements of a scholarship recipient's video and quickly incorporated the video into the set of presentations shown at the aforementioned celebration.

NEXT COMMITTEE MEETING

Every first and third Monday of each month, 7-8 PM, unless otherwise announced.

Respectfully Submitted by R. Kirsten Watts on April 18, 2017 and amended and resubmitted on May 15, 2017
