### ITEM 2

Dear Chapter Secretaries,

We have completed the One-in-Five Closeout for our 59 chapters! Thank you to all of our Super-Secretaries for your outstanding work. The Committee of Secretaries and I have contacted each chapter secretary regarding the specifics of their 1N5 Tracker and the disposition. Trackers should now be forwarded to the chapter Archivist. The chapters that have discrepancies highlighted in red, I am following up with National to get the records corrected. Members highlighted in green have not attended a meeting in the period of 2013-2017. Remember, those members highlighted in blue with Induction years of 2015-2017 have until the end of the next period to complete their 1N5 requirement.

**Jaye Riley**  
**Alicia Stephens**  
**Kimberly Bell**  
**Gina Hatcher**  
**Stephanie Jordan**  
**Mashondra Elam**

\*Corrected discrepancy: noted that Link Iris West attended her 1N5 in Vegas, provided photo proof
