

TACOMA (WA) LINKS TECHNOLOGY COMMITTEE REPORT COVERING MAY 2018

COMMITTEE MEMBERS

Links Gina Hatcher (co-chair), Stephanie McGriff, Alicia Stephens, and R. Kirsten Watts (chair)

ACTIONS

The committee met on May 1 and 15. Work completed during the month is outlined below.

WEBSITE

During the April 28 chapter meeting, Link Kirsten requested Facet chairs provide updated information for the website by May 29. Link Stephanie followed up with a blanket e-mail reminder on May 10.

Link Kirsten requested a short statement and picture from the incoming chapter president, Link Frances Davis, to be placed on the website home page after her induction.

TECHNICAL ASSISTANCE PROVIDED TO OTHER COMMITTEES

Spring Fling and Scholarship Committees: The Technology committee provided outstanding real-time support to this committee during the May 5 Spring Fling event. Support included Link Kirsten's collaboration with onsite A/V vendor for the seamless showing of four Power Point presentations that Links Gina and Alicia created, as well as playing the music for the TUPAC student dancer's performance. The Technology committee members discussed a couple lessons learned at their May 15 meeting.

OTHER

Link Gina continued her work on a survey that will be distributed during the May 19 chapter meeting. The results of the survey will help this committee design the appropriate and desired training sessions.

The committee planned a celebratory outing for June 8.

NEXT MEETING

Future meetings will be scheduled at a later date.

Respectfully Submitted by R. Kirsten Watts, Technology Committee Chair, on May 15, 2018
