Brief Description of Activity; include title and date and whether goals were accomplished:

October 18, 2018: Refresh Community Closet and Pantry with Donations. The closet's provisions address the basic health and emotional needs (self -esteem) in alignment with our umbrella program and its goals. The users of the closet are Foss high school students and their families.

Based on the contents of the closet as we brought new things in, we estimate that approximately 50 students have utilized items from the community closet
