Hello My Link Sisters,

Link Stephanie M as members of the O/E committee wanted to check in with you to see how things are going with your mentee's?

As per the document outlining goals and expectations from Link Adrienne, I wanted to check in to see how things are going?

Please find the New Member Mentoring guide.

I believe we are approaching the 6 month anniversary and wanted to determine if you had scheduled your "temperature check". As you will recall it is a time when all come together to assess how things are going for the new members.

If you have a date selected or place please let us know.

If not, it might be fun to meet at the Olive Branch for Tea. I would be happy to arrange if there is interest.

Please respond to let us know activities you have engaged in, questions you may have, or any other issues that may arise.

Thanks so much for the great work you do.
