Thank you Link Sisters for attending our facet meeting this evening. This is a very busy time of year for many of us. I have listed several items I hope you will take note of based on our conversation about T.U.P.A.C and other agenda items.

If you visit their website, you will see a short video about the rehearsal for The Urban Nutcracker. By the way, there were about ten Links and family members at the opening performance on Nov.30th at Stadium High School. Tcomaupac.org. Scroll down the page and you will see the video. There is also a lip called "City Line" on the T.U.P.A.C. website that will give you more information about the performance at Stadium High School. I hope to meet with Klair after the holidays to begin to build a

common vision for how the Links can support T.U.P.A.C. through 2020. I will have a draft of our plan after meeting with Klair to share with you in January.

Flowers from our facet will be sent to Marlette Buchanan for her excellent performance at the Symphony Tacoma's "Sounds of the Seasons program. She sang to a sold out house and was given a standing ovation. The cost of the flowers will be no more than 50.00 which will include tax and delivery.

Please remember that the chapter's mental health forum is this Saturday at Bethlehem Baptist Church. Link sisters are asked to be at the church between 10:30 - 10:45. I have included a copy of the program in this email. I spoke to Madam President and she and others will take pictures for our facet session. Please remember to wear your Link pin if possible.
