

## May Report of the Dark Divas project Committee

The chairs and co-chairs have been meeting physically and by conferences planning the event, Visitations have been made to Annie Wright, University of Washington, Temple Theater ,and Elks Hall to physically look at venues that would fit our requirements. Annie Wright School Theater has been selected and plans are under way to have the performance there. Contracts have to be sent to area treasurer and signatures have to be obtained. The event date is Sunday, October 6, 2019 with a performance time of 3:30 PM. We will be using an online vendor to sell the tickets to the performance.

Committees are asked to meet and begin their assignments in order to have a chapter report at the retreat. Co-chairs will be contacting respective facet chairs for the name of their sub-chair. The steering committee which consist of the chair, co-chairs and consultant will meet with the facet chairs to review their assignments which were given to them at the April meeting.

Summer conferences or meetings will be needed to finalize the work. We are asking all Links to be committed to this fund raising project to make it successful.

Event Steering Committee.
