

ITS Addendum to September Report.

Dear Madam President.

Background: The emergency that included 50 kits from our collaboration with Days for Girls provided a \$500 In-Kind donation of menstrual kits for the victims in the Bahamas.

ITS would like to continue this collaborative relationship with Days for girls (have web site) for future activities involving this need for girls in unfortunate circumstances. This only requires some voluntary time (which four Links gave this time) to help construct kits. Strictly voluntary.

***ITS NEEDS A VOTE FROM THE MEMBERSHIP TO CONTINUE THIS COLLABORATION WITH DAYS FOR GIRLS WHEN NEEDED FOR THE FUTURE.**

Yours in Sisterhood,
Joan Ray, ITS Chair
