

Recording Secretary Report

November 2019

1. Requesting 5 minutes on agenda for November meeting to discuss 1 in 5 certification
2. Currently working on 1 n 5 Tracking Form which needs to be submitted to Western Area Recording Secretary by Nov 30th. I have updated the 1n5 tracker with new member information and 2019 attendance at WA conference. I need everyone to review to make sure that the correct information is on file. Also need to gather signatures of the Link sisters that attended the 2019 WA Conference.

Respectfully submitted,

Link Alicia Stephens
