

## Art Facet Report September 2020

Letter of Collaboration Sent to Symphony Tacoma - September 2020.

“The Tacoma (WA) Links are happy to continue our collaborative relationship with Symphony Tacoma.

This year, we are thrilled that we can support your strings partnerships with Mount Tahoma High School and Baker Middle School, offering masterclasses and coaching to students at no charge for most of the school year. We look forward to your branching out this year to do winds and brass. The Art Facet of the Tacoma (WA) Links anxiously anticipate a ZOOM Symphony2U side by side with your musicians. We would appreciate a Zoom invitation to observe the master-level instruction.

Next month Christina Abby will advise you of the level of support we can offer. We ask that you invoice us for the donation amount.

Stay Safe,  
Fran

Fran Davis  
President  
Tacoma (WA) Links”
