

GET OUT THE VOTE! FOLLOW UP ON YOUR VOTE!

Good Day, Link Sister. We are days away from the National Elections. Please mail early. It is preferable to drop off your ballot at the County Assessor's Office. The ballots are removed daily at 8 pm. I submitted my ballot on Saturday, October 17th. My records indicate that my ballot was received yesterday, October 20th. Before November 3rd, visit the "Track My Vote" link on your counties' website to ensure the elections office will count your vote.

Better Together,

Fran
