- The business meeting on January 25, 2020 was the first reading of the proposed changes.
- Based on feedback received, modifications were made to the proposed language in Article IV Section 1 J and K.
  - The rationale for the change is to facilitate vacancies in leadership positions being filled promptly and without delay, enabling the Chapter to continue to operate smoothly and efficiently during a period of transition.
- At the business meeting on February 22, 2020, the second reading of the proposed changes will occur.
- The Chapter will vote after the second reading of the proposed changes.

Respectfully Submitted,
