I. 2020 Scholarship Recognition Program

The Tacoma (WA) Links Scholarship Recognition Program will be held on Sunday, May 3, 2020 at 3 PM. This is the conclusion and highlight of several months of work to select the best and most deserving students for our Links scholarships. With all the changes that have happened as a result of the coronavirus, we want to spend a few minutes celebrating with our scholars and their families.

This year, our scholarship program will be virtual. The coronavirus has forced us to look at new and creative ways for social gatherings. This will be a first for us, and the committee is working hard to make this a successful event. We will have a short program to celebrate our 14 Links scholars.

If you would like to attend, you must notify **Link Mary Green** or **Link Dorothy** by no later than **April 30, 2020**. A link to the event will be sent to you a few days before the program. By doing this, we hope to monitor webinar participants and avoid uninvited “guests.”

II. Request for Funds from the Links Foundation

The request for scholarship grant monies has been prepared and mailed to the Links Foundation. This will provide plenty of lead time for grant monies to be sent to the Tacoma Chapter for distribution to students upon verification of college enrollment.

Respectfully Submitted,

The Scholarship Committee
