February Art Facet Program: Art education/awareness series

- We will be leveraging our new Twitter account in February with an *Art education/awareness series* that will feature brief write-ups about local artists and our local art performance center. The following are the topics and assigned Link sisters that will write a paragraph or two about the topic and have ready to go to be pushed out on our Twitter account by Link Kasaundra, each Wednesday in February:

- **Wed. 2/3**- Jacob Lawrence - Link Denita Harden
- **Wed. 2/10**- Tacoma Urban Performing Art Center (TUPAC) - Link Kay Wilson Kirby
- **Wed. 2/17**- Dale Chihuly - Link La'Tonja
- **Wed. 2/24**- **Link Christina** this would be a great opportunity to feature your accomplishments and talents, can we feature your Art talent with a brief bio about your work? Please give it some thought and let us know if we can feature our very own Co-Chair! :)

NOTE: Please have your write-ups ready to go by February 1 in time for our first Tweet in the series that will go out that same week.

- We discussed other opportunities leveraging Twitter that can put the Tacoma chapter on the map by highlighting our local Black women elected leaders: Senator

T'wina Franklin; Senator Strickland; Mayor Woodards and respectfully WA Supreme Court Justice Judge Helen Whitener, all great achievements in WA elected history!

Art Facet Partnerships:

- Existing- Tacoma Symphony partnership continues virtually. Mini Maestro's schedule has not been posted yet according to the website. Encourage Art Facet members to check out <https://symphonytacoma.org/> for any upcoming events etc. we can share with Link sisters.
- Potential- Hilltop Artists (<https://www.hilltopartists.org/>) may be an opportunity for a new Art Facet partnership/sponsorship. La'Tonja will draft a letter of interest that can be leveraged as a template for other Facets/committees when seeking new partnerships.

Link Kasaundra came up with a great idea for the Art Facet to host a movie night with Link sisters to end Black History Month. We will watch a movie together and discuss it during commercial breaks. La'Tonja will research some ideas for movie options that will be aired on the selected date: February 19th (MOVIE Night). If a movie catches anyone's eye/ear, let us know so we can make a decision and get the word out to the chapter.

Action items:

Link La'Tonja: Research movie line up options for 2/19; Research Chihuly/draft brief bio; Draft partnership letter for Hilltop Artists; Head's up/brief write-up to Link Alyce for February newsletter announcement by 2/1.
