

Greetings, Links Sisters.

It has been my pleasure to serve as your President from 2018 to 2022. Over the past four years, by the grace of God, we have successfully navigated the onset of the pandemic and the loss of our final two charter members. We will soon induct two new links (four in 2020, two in 2021, and two on May 1, 2022.)

Our current chapter census: We are honored to have members in the following categories.... Regular Active – 29. Pending Regular Active two. Regular Platinum five. Total 36. In addition to our regular chapter members, we are blessed to count eight Alumna, three of which are Platinum Alumna.

I remind the chapter that we have several events that should be commemorated once we are allowed to meet in person again.

New Member Celebrations:

Charter Member Memorials - Wilson and Blackshear.

Connecting Link Memorials - Stone (Reed) and Copes.

50th Year - Wade.

Platinum - Green, and Ray.

Alumna - Henderson, and Robinson.

The two fundraisers Dark Diva and The Fantastic Voyage were landmark events that demonstrated our ability to make soft and hard philanthropic pivots. The chapter received a \$25,000 Washington State grant that allowed us to focus laser precision upon the emerging needs of our community during the genius of the COVID-19 pandemic.

Utilizing our chapter website, virtual meetings, and steadfast commitment to Sisterhood and Service allowed The Tacoma (WA) Chapter of The Links, Incorporated to demonstrate that we are BETTER TOGETHER.

I am confident that President-Elect Link Mentha Hynes-Wilson and her administration will move the chapter to higher, highest, and greater depths as we forge ahead with the work of our much-beloved Sisterhood.

I remain,
Fran

Link Frances L. Davis
President
Tacoma (WA)
