

Program Committee Report

January 11, 2023

National Programming

On December 12, 2022, the National Programs Committee presented Part 1 of a ***Chapter Program Report Submission Training*** webinar that discussed the information chapters are required to submit and best practices for preparing your chapter's programming report.

On January 19, 2023, the National Programs Committee will present ***Chapter Program Report Submission Training*** webinar - part 2. In this webinar, the National Programs Team will summarize the 2021-2023 rubric that program reviewers will use to score Chapter Program Reports. They will also provide a tutorial on how to access the Chapter Reporting Portal for submitting program reports and chapter data sheets.

Program Committee Meeting - Tuesday, January 3, 2023

- The Facet Activity Reports for each facet activity/event for the 2022 – 2023 program year (this includes events through April 30, 2023) is due no later than Wed. January 11, 2023.
- The deadline for chapters to submit program reports and chapter data sheets is Wednesday, February 1, 2023, at 11:59 p.m. EST.
