

Program Committee Report

February - 2023

WA Programs

The “Conversation with the Western Area Program Coordinator” webinar was held on Friday, January 27, 2023.

Link Beverly McMillan a current member of The Albuquerque (NM) Chapter of The Links, Incorporated presented a webinar on the Chapter’s program on Educating and Combating Social Injustice.

National Programs

Black Family Wellness Expo. Webinar, January 23, 2023

More than 2,200 Links members joined for a webinar that shared pertinent information about the structure of the Expo, opportunities for collaboration with other Links chapters and external organizations, as well as information available from our health-based partners that you can share during the Expos. You may download both a recording of the webinar from [Members Only](#) > Documents > Programs > Black Family Wellness Expo.
